

## **§322.1. Provision of Services – Adopted to be effective 9/04/2016**

---

**Summary of Amendment:** The amendment to (d) Reevaluation replaces “an onsite reexamination of the patient” with “direct physical therapist-to-patient interaction” in section (2). The change leaves the assessment decisions to the discretion of the physical therapist based on their professional clinical judgement instead of requiring a complete reexamination of the patient.
